A Discussion of *Kokkyō no Minami, Taiyō no Nishi* (II)

Hideyuki SAKAI

Keiko KŌNO

Kokkyō no Minami, Taiyō no Nishi seems to give an account of the love affairs of the male protagonist, yet, in reality, he has been unable to build genuine relationships with these women. Rather, there remains a feeling of strangeness and discomfort in the protagonist's relations with women, and at the same time he holds an strong affinity towards the men around him.
