# Historical Records Introduction “The Documents of the Kenjyo Family of the Nakahira Village, Abe District, Suruga Province”

IMAMURA Naoki

The documents of the Kenjyo family whom this report introduces is transmitted archive of the Nakahira village headman. This archive has information valuable at all in studying about the life actual situation of Nakahira village and farmers of the Edo period, the local society of the Abe River basin. This report introduces the historical materials that I discovered newly mainly on the late Edo period and performs some commentaries.
