Historical Records Introduction  
“The Documents of the Kasahara Family of the Raifuku Village,  
Kito District, Totomi Province”

IMAMURA Naoki

The documents of the Kasahara family whom this report introduces is transmitted archive of the Raifuku village headman. This archive has information valuable at all in studying about the life actual situation of Raifuku village and farmers of the Edo period. This report introduces the historical materials that I discovered newly mainly on the Edo period and performs some commentaries.
